

# Edmonton Community Challenge

## Photo Scavenger Hunt

This is a photo scavenger hunt worth up to 150 points. We understand that completing everything might be impossible, so try your best to accomplish as much as possible.

The hunt is divided into 5 categories, each worth 30 points. Submissions will be judged upon **completion of the task, team involvement, and creativity/effort.**

The more team members included in photos, the better.

Ties will be broken by the Judges at their own discretion.

The judges will evaluate and rank each team per each section and then the final tally will be a sum of the points from each section. There are a maximum of 30 points to be won per section. Every place after first will receive two points less per rank. For example:

1<sup>st</sup>: 30 points

2<sup>nd</sup> 28 Points

3<sup>rd</sup> 26 Points

... Thus if you place 1<sup>st</sup> in all 5 categories your team will receive **150 POINTS!**

To submit your photos, please start a free Flickr account for your team (under your community league name) and tag the photos with "Yegchallenge", "ECC" and "Edmonton, Next Gen, EFCL" We will then review your submissions and score them accordingly. Please indicate which category they are submitted under as well.

All of the scavenger hunt photos are due in on June 29<sup>th</sup> by Midnight. Points will be deducted for any unsafe or illegal behavior. Please don't be reckless, dangerous, rude, or do anything illegal! Remember all photos on the Internet become the property of everyone!
